1 Introduction to VP / Definition

1 Introduction to VP/ Why use VP?

ENTREPRENEURS

PRIVATE EQUITY

FOUNDATIONS

SOCIAL SECTOR

Giving something
back to society
beyond cash

Applying PE
methods to the
social sector

Another tool in
their toolbox and
new support

Interested in
alternatives to
fundraising

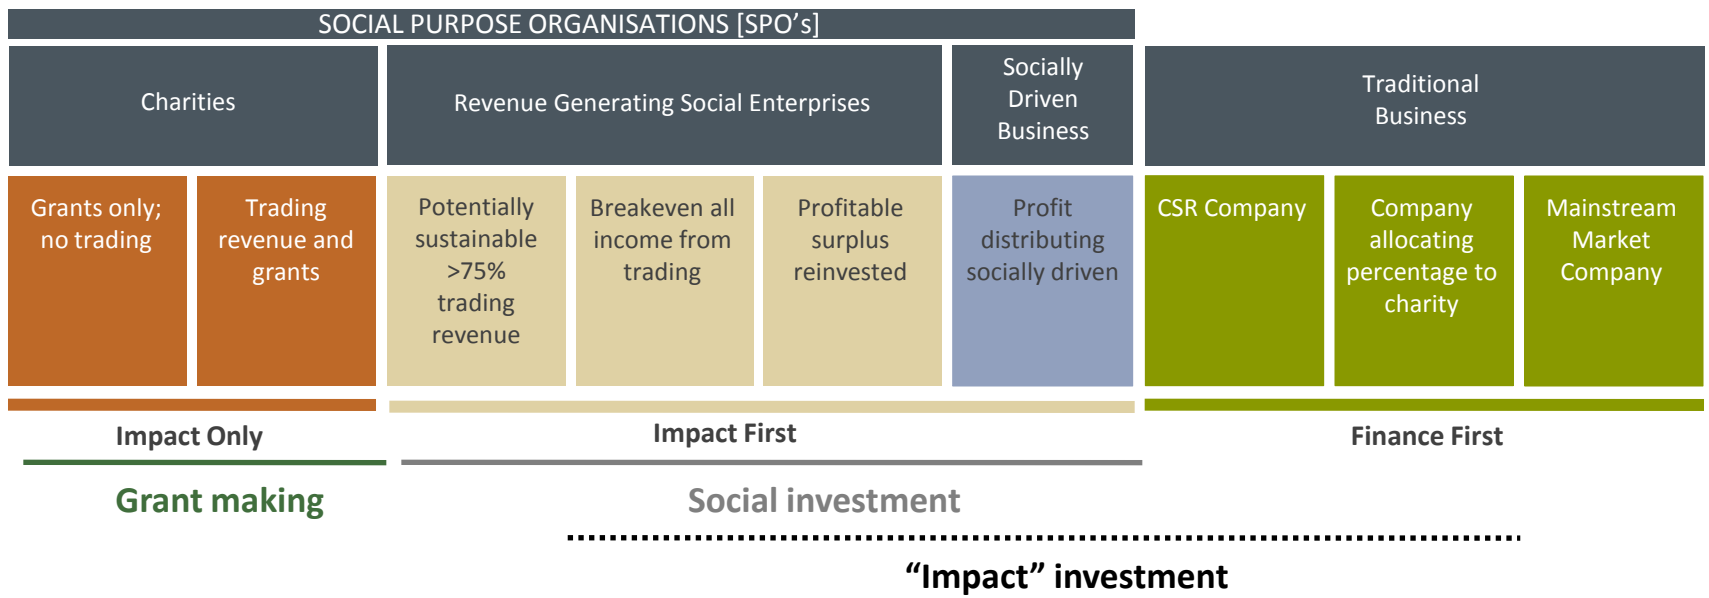

→ With cross-sector cooperation, societal impact can be maximized

1 Introduction to VP/ Investment spectrum

Primary driver is to create **societal value**

'Blended' societal and financial value

Primary driver is to create **financial value**

Venture Philanthropy

Source: Adapted from John Kingston, CAF Venturesome, by Pieter Oostlander, Shaerpa and EVPA

- EVPA is a non-profit **membership association** comprised of organisations interested in or practicing venture philanthropy in Europe
- It was set up **in 2004**. Since 2009 the EVPA office is in Brussels
- 140 Members from 19 countries within a wide range of sectors, including social investment, private equity, foundations, advisory firms, academia and private banks

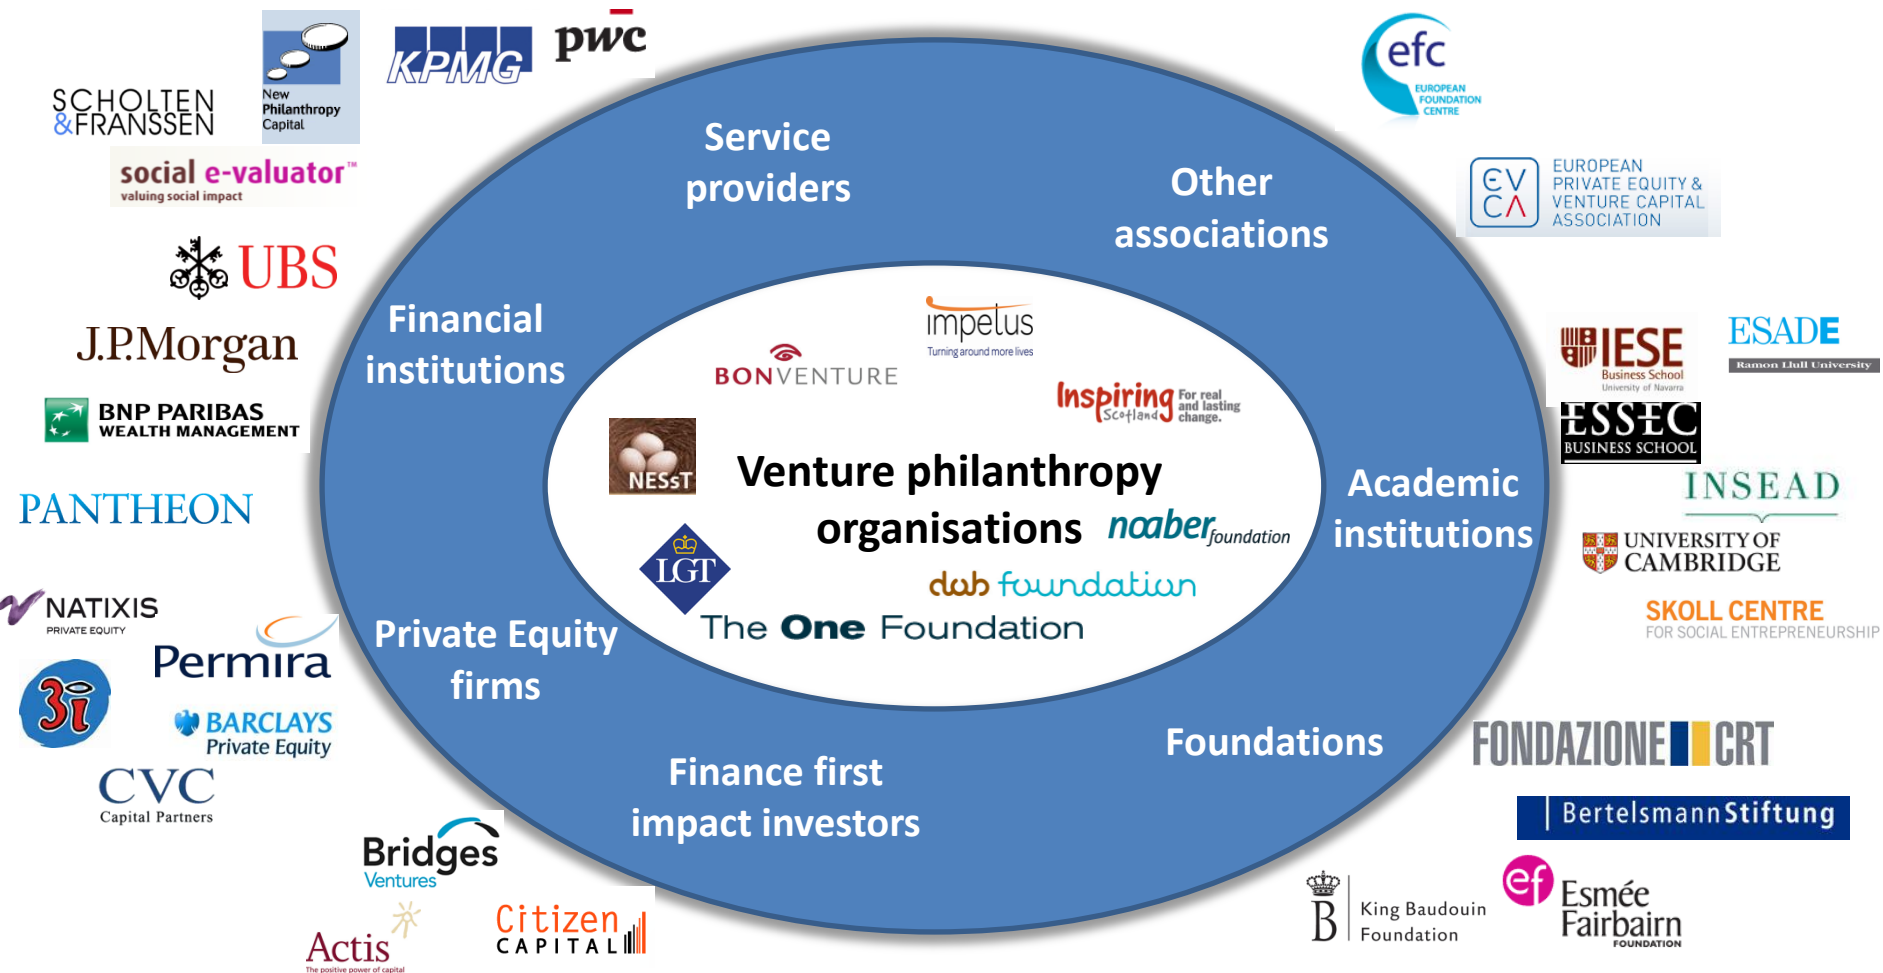

Mission

- To support members in carrying out venture philanthropy activities
- To promote venture philanthropy throughout Europe

→ Find out more at: www.evpa.eu.com

3 Introduction to EVPA / Eco-system

Examples of EVPA members – working together across sectors

Full membership

Open to organisations whose **activities include venture philanthropy** and who have set aside a **designated budget for VP activities**

Associate membership

Open to organisations with a **serious interest** in venture philanthropy and a **good standing** within their industry

Honorary membership

Invitation-only by the EVPA Board for individuals or organisations who can provide **valuable insight** and/or **assistance** to EVPA's mission and goals

- EVPA follows a thorough due diligence process before welcoming members
- Members commit to EVPA's code of practice

EVPA: A network to share knowledge and develop best practice

CONNECTING

Networking and events

Annual EVPA conference
