

# EVPA SCHOLARSHIPS

EVPA is a unique network of investors *for impact* interested in or practising venture philanthropy (VP) and social investment (SI) across Europe. The EVPA learning offer, based on the solid and rigorous research conducted by EVPA's Knowledge Centre, is built to offer high quality contents, practical knowledge, fundamental tools and compelling stories to support investors *for impact* – at all levels of expertise - in achieving greater societal impact and bring new solutions to address societal issues.

In order to build this dynamic and effective learning community, EVPA Members have priority access to the courses and get a 50% discount on the regular fees. In line with EVPA's market builder's role, EVPA is offering two different types of scholarships, **course fee scholarships** and **travel scholarships**.

## SCHOLARSHIP SELECTION CRITERIA

- Membership: applicant's organisation should be member of EVPA.
- Motivation: particular attention will be paid to the reasons why the applicant and their organisation need the training and the scholarship.
- Preference will be given to applicants who can demonstrate their ability to apply the knowledge acquired through the training in their day-to-day activities.
- Preference will be given to organisations with strapped resources that cannot afford to pay the course fee (**course fee scholarships**) or the travel costs (**travel scholarships**).

## COURSE FEE SCHOLARSHIPS

Thanks to Training Academy funders' support (King Baudouin Foundation and other partners), a number of scholarships - covering the entire or part of the course fee – are available in 2020 for EVPA members with strapped resources.

**Please take note that only the staff of EVPA members qualify for scholarships.**

## SCHOLARSHIP DETAILS

EVPA offers two kinds of course fee scholarships, full and partial scholarships. The number of scholarships granted for each course is limited to 2 full scholarships or 4 partial scholarships per course. The type of scholarship assigned depends on the EVPA Scholarship Committee's evaluation considering all the requests.

The full scholarship covers the entire course fee. The partial scholarship covers 50% of the already discounted member fee. Please read carefully the [cancellation and rescheduling policy](#), and in particular the section concerning scholarships.
